

Franck Dixmier

Biography

Franck Dixmier

Global Head of Fixed Income

Chief Investment Officer Fixed Income Europe

Franck Dixmier is Global Head of Fixed Income and Chief Investment Officer (CIO) Fixed Income Europe, and a member of the Global Executive Committee at Allianz Global Investors.

Franck joined Allianz Group in 1995 as Fixed Income Portfolio Manager. In 1998, he was announced Head of Fixed Income for AGF Asset Management (now Allianz Global Investors' Paris Branch). His role included responsibility for the AGF insurance portfolios.

In 2008, Franck became CIO of Allianz Global Investors in France. From 2012, up to the merge of the French subsidiary into Allianz Global Investors Europe GmbH in 2014, Franck was Chief Executive Officer of Allianz Global Investors France. In January 2012, Franck was also announced CIO Fixed Income Europe for Allianz Global Investors and up to 2017 member of the European Executive Committee. In addition, with effect of 1 June 2015, Franck has taken on the role of Global Head of Fixed Income and became a member of the Global Executive Committee.

Franck Dixmier graduated with a Master's degree in Economics and Finance from the Paris Dauphine University (Master's degree - DEA conjoncture économique et prospective).

as of August 2017
